

Dev Terror

(Our Health Companion)

Them- Covidsafe

!dea

**In the pandemic its
difficult to maintain &
manage our health and
get advised by doctor.**

Proposed Solution

- a. A website which will tell you are safe or you need to consult a doctor.
- b. do and don't of during positive covid-19

TECH stack

HTML, CSS ,JS

WOW -FACTOR

A blurred background image of a person in a blue lab coat and gloves using a microscope. The person is looking through the eyepiece, and the microscope's objective lens is focused on a slide. The overall tone is blue and clinical.

A. What to do during covid-19.

B. How to manage due to quarantine

Future work

A.Chat with doctor

B.map update of C-19 areas

C. Enhances tech stack

D.Make it more smarter

Thanks
